Report of the Reforestation Committee

To the Warden and Members of the County Council of the County of Norfolk:

Gentlemen:—We Your Committee on Reforestation beg leave to report as follows:

At the request of the Chairman, your Committee on Reforestation met at the Forestry Station on April 28th, 1934. Members present included J. Hagerman, Delbert Blayney, Edward Dertinger and Allan Wallace.

A brief meeting was held at the Forestry Station Office and acting upon the recommendation of F. S. Newman, it was decided that it was not necessary to inspect the Wyecombe and Morrison Plantations, since these Plots were thoroughly inspected last Fall, and since there was insufficient time to cover the entire Plantation in one day.

The following Plantations were then inspected:

Simes Plot—Seventy acres planted during the Spring of 1933.

Payne Plantations—One Fifty acres and one One Hundred acre Plantation.

Turner Plantation—One Hundred acre plot on the Ninth Concession of Charlotteville.

Shellburg Plantation—One Hundred and Twelve Acre Plot on the ninth Concession of Charlotteville.

Bonny Heath Plantation—In the Township of Townsend.

Following the two day inspection of all Plantations last Fall, definite planting recommendations were drawn up. Conditions are practically the same this Spring. The trees have all come through the recent severe winter without appreciable damage, and the Committee therefore suggests that the recommendations contained in September 14th, 1933 report be carried out.

The Committee reports that the remainder of chestnut posts on the Shellburg Plantations, that were too small and crooked for uses other than inferior fuel wood, have been sold for Five Dollars.

Estimates

Codling Plantation—\$25.00 for fire lines.

Morrison Plantation—\$10.00 for fire lines.

Lot 6, Concession 10—\$10.00 for fire lines.

Turner Plantation—\$10.00 for fire lines, \$25.00 for planting.

Payne 50 acre Plantation—.....for fire lines, \$15.00 for re-setting.

Payne 100 acre Plantation—.....for fire lines, \$20.00 for re-setting.

Shellburg 112 acre Plantation—.....for fire lines, \$130.00 for re-setting.

Bonny Heath Plantation—.....for fire lines, \$10.00 for re-setting.
